

# Health Timeline

## *Directions:*

1. Research the historical impact of health care in the United States.
2. Use at least five sources and have at least one of each of the following types of sources:
  - Professional journal
  - Trade magazine
  - News article
3. Create a list of the significant events in the history of the health care industry. Include health care events which impacted the economy, major breakthroughs in medical care and any type of regulation or law passed which influenced the health care industry. You must include at least 15 events.
4. Using your list of events, create a timeline. Be creative in the way you display the timeline, for example you might make it a digital timeline using Prezi or make it a story book.
5. Be prepared to share your timeline with the class.
